

## PRESS RELEASE

### **BEST<sup>®</sup> NOMOS<sup>®</sup> RELOCATES TO NEW HEADQUARTERS 73,000 sq. ft. OF EXPANSION SPACE**

Pittsburgh, PA (January 1, 2008) – Best nomos has relocated its offices to a 73,000 square foot building in Pittsburgh. The new building offers Best nomos room for expansion and growth. The facility is located at One Best Drive, Pittsburgh, PA 15202 USA.

Best<sup>®</sup> nomos<sup>®</sup> is a single source oncology solutions provider. Best nomos designs products and solutions that help medical professionals treat a variety of cancers. The products are used extensively to accurately plan, target, and deliver radiation treatments to patients all around the world. They are best known for their innovations in IMRT and IGRT, having delivered the first commercial IMRT system, the PEACOCK<sup>®</sup>, in 1992.

Best nomos is one of the newest members of the Best family of companies and can now offer their customers a wide array of best in class products used in brachytherapy as well as external beam radiation.
